Ultra Light Rope

Don't let the continuously increasing gold market force you into purchasing a subordinate alloy. If your niche is a cost effective light weight chain for a light weight pendant then Excell Manufacturing can meet your needs.

Excell offers a new ultra light 10k gold rope chain. This chain is 10% lighter than its traditional rope chain counterpart.

Available in both 10k white and yellow gold, it is an economical, cost effective alternative.

At Excell Manufacturing, a little gold goes a long way.
